Opener

Grand square
He said it's my job to be cleaning up this mess
And that's enough reason to go for me
It's my job to be better than the rest
And allemande left and weave
He said it's my job to worried half to death
And that's the thing people respect in me
(Swing and Promenade)
It's my job but without it I'd be less
Then what I expect from me

Figure: (Twice for heads. Twice for Sides)

Heads (Sides) Promenade half way go, pass
the ocean and extend. Swing through and boys
run right, bend your line and a right and left
through. Pass the Ocean, recycle around,
swing your corner and promenade.
It seemed strange how good he felt
So, I asked him while he swept.

Middle Break

Grand Square

He said it's my job to be worried half to death
And that's the thing people respect in me
It's my job but without it I'd be less
Then what allemande left and weave
It's my job to be different than the rest
and that's enough reason to go for me
It's my job to be better than the best
and that's a tough break for me

Closer:

Grand square

It's my job to be different than the rest
and that's enough reason to go for me
It's my job to be better than the best
and that's a tough allemande left and weave.
It's my job to be cleaning up this mess
and that's enough reason to go for me
It's my job to be better than the best
and that makes the day for me
