Opener

Grand Square

Sun coming up over New York City

School bus driver in a traffic jam

Allemande Left and Weave

Starin' at the faces in her rearview mirror
(promenade)

Looking at the promise of the Promised
Land

Figure (twice for heads, twice for sides)

Heads (sides) square through count to
four now. Swing through spin the top
and go right and left through.

Square through three hands and swing
your corner and promenade.

*Looking at the promise of the promised
land

*One just might be president

* All they want is everything

* And talk about the stars they could
have been

Middle break and closer

Only in America

Dreaming in red, white and blue

Only in America

We all get a chance

Everybody gets to dance

Only in America
