*Well I quit my job down at the car wash
I left my mama a goodbye note
Walk around that corner, now see saw the one you know
And now those men star by the right and roll it roll it go
You do an allemande left that corner, weave the ring
to the guitar --- go guitar
You're gonna swing your baby get once around
Well you promenade back home
**I thought my pickin' would set them on fire
But nobody wanted to hire a Guitar Man

You do an allemande left that corner, partner right hand turn and go
