Walk On By

(KDM-210)

Called by: Chris Froggatt Sydney, Australia

Opener
(Sides Face, Grand Square)
If I see tomorrow, on some street in town
Pardon me if I don't say hello
(Allemande left, weave the ring)
I belong to another, it wouldn't look so right
(Promenade)
To know someone, I'm not supposed to know

Figure - twice for Heads, twice for Sides
Heads you promenade, go halfway round now
Walk in square thru, count to four
All the way, swing thru, boys run, ferris wheel
Centers square thru, three hands around now
Corner swing, you promenade her and go
I can't let you go, so why pretend

Middle break, Closer
(Sides Face, Grand Square)
Just walk on by, wait on the corner
I love you, but we're strangers when we meet
(Circle left)
Just walk on by, wait on the corner
(Allemande, promenade)
I love you but we're strangers when we meet
